48) It is not clear whether the Khadi Centre was started by the District Board under Sec.45 of the District Boards Act. The references placed below relate to the continuation of the Centre under the control of the District Board. It is opined, however, (vide para 43) that the Khadi Centre may be deemed to fall under Sec.45(2)(f) of the District Boards Act. If it is to be construed as coming within the purview of Sec.45(2)(f) as promoting local art and industry then rules could be framed for its management, otherwise rules would be ultra-vires.

As regards the proposed bye-laws, the Legislation Branch may perhaps scrutinise them. The suggestions of the District Board President (vide para 6 P.U.D.) regarding power to draw the amounts from the Bank and Treasury, are matters for decision by the Administrative Secretariat.

Sir,

Subject: Byelaws of Aimangala Khadi Centre Managing Committee.

With reference to your letter No.L.12098 dated 15th June 1945 on the above subject, enquiring as to under what section of Mysore District Board Act the above byelaws have been framed and whether there are such byelaws in force in respect of any other Khadi Centre viz. Kadur District Board (Ajjampur Khadi Centre) and Tumkur District Board (Ittikadibbabahalli Khadi Centre), I have the honour to state that there is no provision in the District Board Act to frame byelaws regarding the khadi Centres particularly. In view of the fact that the work of the centre was increased considerably, the Board appointed a committee consisting of 4 members of the Aimangala Khadi Centre Managing Committee. Hence these Byelaws were framed.

As regards your kind enquiry as to whether there are such Byelaws in force in respect of any other Khadi Centres under the control of Tumkur and Kadur District Board, I am to state that the Presidents of the Tumkur and Kadur District Boards have in their letter No.G.122/45-46 dated 3rd July 1945 and L.B.4.P.R.4/45-46 dated 19th July 1945 intimated that no byelaws have

**MEMO.**

To
The Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department,
Bangalore.

Sir,

Subject:- Bye Laws of the Managing Committee of Aimangala Khadi Centre.

Adverting to your letter No.L.5113 dated 13th December 1945 on the above, I have the honour to state that I have gone through the draft Bye-laws as framed by K. Kenchappa, Esq., M.A., LL.B., and as approved by the District Board, Chitaldrug. I furnish my opinion, as follows:-

Bye-law No.6(1):- Till now the working funds of Aimangala Khadi Centre has been credited and drawn from the District Board funds which would result in mingling up the accounts. It is better if a separate account is opened to the Khadi Centre as resolved by the Committee.

Bye-law No.6(ii):- The Manager will have to be vested with powers to receive cash from the parties and to draw the amount from the treasury by issuing cheques. He will send up accounts once in a month to the President of the Managing Committee. This kind of arrangement is followed in the Badanval Spinning Circle. There need not be any accou in the Bank.

Bye-law No.8(i):- In fixing up the spinning and weaving wages and also the rates of khadi, it is better if the centre follows the rates of the Badanval Spinning Circle instead of that of the All India Spinners' Association as all the khadi centres in the State should be considered as one unit and there should be uniformity in the rates all over the State.

Bye-law No.8(iv):- Regarding disbursement of salary, the Manager may

may have the [illegible] through a bill after [illegible] staff.

[illegible] routine correspondence of the staff may be addressed to the Manager, who will look to the daily needs of the branches. Privilege leave applications shall be submitted by him with his recommendations to the President who will finally sanction it.

(ix) The Manager will guide the staff to maintain the accounts properly in the branches and get them checked by his Assistants.

Bye-Law No.9(i):- The quantity of lint required for Nimangala Khadi Centre is about 2,000 lbs. per month. This small quantity may be purchased by the Manager and the procedure adopted till now may be continued. The Committee will sit once in three months and it is not advisable to postpone the purchase of lint for want of approval of the Committee or till it deputes a member for this purpose, since the work will have to be stopped on [illegible] occasions for want of lint and creating a break in the [illegible] spinners who will put to much inconvenience. The [illegible] obtain formal approval from the Committee or from the President [illegible] and when bulk purchases are to be made.

(ii) ~~Hemarking~~ Dye-stuffs and chemicals may be bou[illegible] Manager from approved firms like Messrs. Imperial Chemi[illegible] Payments may be authorised through the Comptroller aft[illegible] the amount to the Treasury.

Bye-Law No.10:- The amount of Rs.500/- provided for cel[illegible] "Annual Day" may be expended towards the Rally in whic[illegible] petitions will be held among the artisans of the Centr[illegible] be as an educative fare for the encou[illegible]rement of the ar[illegible]
